

Information for authors (updated on May 5, 2020)

Initial Submission	
Main text	<p>Please submit a <u>single</u> word file that contains all components of the paper. The paper should be double spaced, in standard 12-point font, maximum 13,000 words.</p> <p>Please ensure that the manuscript components are ordered as follows: Title page, Abstract, Introduction, Results, Discussion, Materials and Methods, References (See citation style), Acknowledgments, Figures and Tables, Supplementary Materials.</p>
Figures	<p>You may include up to a total of six figures and/or tables (combined). The figure files should have a minimum resolution of 300 dpi and incorporated into the main text .docx file.</p> <p>All figures should be sized to fit on single 8.5'' × 11'' or A4 paper, preferably at 3.5, 5.0, or 7.3 inches wide (corresponding to 1, 1.5, or 2 columns of text).</p>
Table	Tables should be included at the end of the manuscript text, in portrait or landscape orientation.
Cover Letter	Please provide your suggestion of a Deputy <u>and</u> an Associate Editor best qualified to handle your paper. List <u>five</u> suggested reviewers.
Citation style	<p><i>Human Behaviour and Brain</i> uses a complete citation format that includes <u>all authors</u> (do not use et al.), full titles of journal articles, the <u>journal abbreviation</u>, the volume, the first and last page, and the year of publication. In text references should be cited in square brackets with a number [1]. Multiple reference citations are separated by commas [2, 3] or, if citing more than two consecutive references, by an en dash [4-6].</p> <p><u>Journal articles</u> are cited as follows:</p> <p>R. Marisca, T. Hoche, E. Agirre, L. J. Hoodless, W. Barkey, F. Auer, G. Castelo-Branco & T. Czopka, Functionally distinct subgroups of oligodendrocyte precursor cells integrate neural activity and execute myelin formation. <i>Nat. Neurosci.</i> 23, 363-374 (2020).</p> <p><u>Books</u> are cited as follows:</p> <p>D. Curtis, in <i>Clinical Neurology of Development</i>. B. Walters, Ed. (Oxford Univ. Press, New York, 1983), pp. 60-73.</p>
Resubmission	
Main text	With continuous line numbers, double spaced and with highlights of changes.
Figures	To help ensure high production quality of figures, we encourage authors to submit figure files in image file types: .jpg, or .png.
Cover letter	Should include a point-by-point response to the comments of the reviewers and editor.
